**Decision 119/2013 - 201202475**

Dear Commissioner

Regarding the decision above, we received some additional information from Dundee City Council but not all that we had requested. We remain dissatisfied about their response to our FOI request. We believe that there is still a lot of information being withheld from us by DCC. There is information missing which would fall within our original request for information **prior to May 2009**. The earliest information we received from DCC was a letter dated 13<sup>th</sup> February 2009. This letter mentions a meeting on 23<sup>rd</sup> January 2009. There are no minutes of this meeting or any meetings held after it, or of the events leading up to this meeting. We can see from some of the e-mails (one dated 16.04.09 mentions a meeting) that meetings were held about us. We would like to see the minutes of these meetings and other e-mails.

A letter dated 15<sup>th</sup> May, mentions a letter we received from DCC dated 30<sup>th</sup> December 2008. This letter, and the minutes of the meetings prior to sending this letter, or information regarding the reason for this letter being sent in the first place, is absent. Given that the letter is about a complaint about Eighteen And Under, there must be information, minutes of meetings, regarding the alleged complaint.

A letter also mentions DCC writing to health, education, and other organisations but there is no copy of what they sent out about us. We know that DCC wrote to OSCR to raise concerns about us in early 2009 but there is no copy of what they wrote to OSCR. We know about this as OSCR wrote to let us know.

1 of 2  
We want to know the reasons behind DCC beginning to fall out and disagree with our organisation and believe that there must some information about this within DCC. We know from the meeting on 23<sup>rd</sup> January and subsequent e-mails that Social Work Department was involved. We were given no information from 2008 at all.
