Please see your original email (below), within which, you specifically ask me for advice. I am therefore surprised by your latest email which presents a different position.

IMs

In relation to your recollection of earlier discussions regarding link officers, you did mention that Peter Connelly was at one point your link person, which is understandable. You will also recall during this discussion you made a point of confirming you had appropriate links in place via local CP forums. At no point has it been suggested to you or Joseph that Laura Menzies or myself were first contacts in relation to child protection issues. It would be entirely inappropriate for Laura or myself to attempt to act as first contacts as this would not be in line with the policy of Dundee City Council or Dundee Children & Young People's Protection Committee. Following a telephone discussion in which you raised another CP concern with Laura, Laura encouraged you to take your concern directly to Seymour Lodge. This point was once again emphasised at our last meeting on 26th April.

Your latest email suggests there has been an appropriate procedure undertaken which is reassuring. However, it is very different from the picture you presented to me in your original email and the earlier telephone call made to Laura (in April).

Approved Provider (

DCC (24)

I appreciate that yourself and Joseph have been tasked to work with us in progressing Eighteen and Under's APL application and are grateful for your input. However, there is concern that, without the Manager's involvement, aspects of our discussions, agreed action points and important elements are being lost resulting in this type of
