Laurie/Irene,

I attach a copy of the letter which I faxed to Peter Allan this morning. Most of the letter simply reiterates our request for clarification of the Dundee City Council's concerns, but I have also had to confirm that their proposed deadline of 31st March no longer stands. I have also put them on notice that their actions have had a detrimental effect on Eighteen And Under's reputation and its ability to carry out its work in Dundee.

I hope this will encourage a swift response from DCC, ideally before the audit concludes on Friday. I will be in touch with you again as soon as I hear anything from them but in the meantime, if I can be of any further assistance please let me know.

Kind regards,

Laura
