Hello Irene,

I spoke with my former colleague who has some background in dealing with the kind of issues that we discussed. He suggested that the letter that goes should indeed cover the data protection angle and also explore whether the relevant Council might have been in breach of its own equalities policy. I should be happy to look into both of these issues on your behalf when I receive the draft letter.

Separately, he suggested that two organisations, namely:

- LGBT Youth; and
- Stonewall,

have some experience in dealing with the sort of issues raised and may be able to assist, particularly with any concerns that the individuals whose information was disclosed may have. We can perhaps discuss this tomorrow.

I understand that you are not in the office today.

Kind regards  
Robin
