Robin,

Later in the week would be fine for the correction of minutes as I understand you are extremely busy but if you could find a few minutes just to look over the letter sooner it would be a big help. We want to let Dundee City Council know that we are not ignoring them but are looking into things here. Thanks.

Regards,
Irene.

Irene,

Thank you for your email. I will respond as quickly as I can but this may have to be a bit later in the week. Would this be acceptable? Please let me know if there is a particular deadline you are working to.

Kind regards
Robin

Subject: Eighteen And Under Versus Dundee City Council

Robin,

Thank you for your help and support on Friday. I am now attaching a copy of the preliminary letter which Laurie is proposing to send to Dundee City Council and also a copy of the meeting notes and corrections. If you could look these over and let us have your opinion/suggestions it would be very much appreciated. Regarding the notes in section 2(c) is it necessary for us to give them a list of our volunteers? We do have others than the ones listed here but are now unsure of how much information we actually have to give. Also as these were sent by e-mail, should we just e-mail them back to the council do you think?

We are gathering all the information we need to fully answer concerns and are nearly finished. We will then, as you suggested, send out a letter to Dundee City Council and ask them to attend a meeting with our Management Committee. I will also e-mail you a copy of that letter before sending if that would be ok with you.

Thanks once again.

Regards,
Irene.
