Subject: Confirmation of valid application for decision by the Scottish Information Commissioner - 201301880

Our Ref 201301880

19 August 2013

Dear Ms Matthew

### **Application for Decision by the Scottish Information Commissioner Public Authority: Dundee City Council**

I refer to my email of 18 August 2013 acknowledging receipt of your application dated 13 August 2013 on behalf of Eighteen and Under for a decision from the Commissioner relating to information held on organisation. I am satisfied that it is valid in terms of the Freedom of Information (Scotland) Act 2002 (FOISA)/Environmental Information (Scotland) Regulations 2004 (the EIRs). The Commissioner will therefore investigate your complaint and issue a decision on your case.

I have provided a link below for you to download a copy of "What Happens Next?", the Commissioner's guide for applicants. This explains how your case will be investigated, what information we might need from you and what information we can share with you during the investigation. Please read it carefully.

<http://www.itspublicknowledge.info/YourRights/AppealingtoCommissioner.aspx>

Your case will be allocated to an investigating officer who will be in contact with you soon.

If you become aware of any change in circumstances, or anything else which you think might affect the course of the investigation or the need for a decision from the Commissioner, it would be helpful if you could let me or the investigating officer know as soon as possible.

Details about the investigation (i.e. the case number, the name of the public authority involved and the type of information requested) will be published on the Commissioner's website. If a decision is issued, it will also be published on the website. The decision will name you as the applicant.

If you feel there are valid reasons for your name to be withheld from the published version of the decision, please let me know immediately. The Commissioner will take your views into account, but the final decision as to whether to name you in the decision is one for her to make.

The Commissioner is a Scottish public authority for the purposes of FOISA, and she has a duty to respond to information requests made under FOISA or the EIRs for information that she holds. This means it is possible, although unlikely, that she will receive a request asking her to disclose information about your case. If this happens, the Commissioner will release information unless there are good reasons for withholding it. If the Commissioner does receive an information request about your case, she will usually let you know and give you a chance to comment.

If you have any queries about anything raised in this letter, I can be contacted on 01334 464610 or [pkeith@itspublicknowledge.info](mailto:pkeith@itspublicknowledge.info).

Yours sincerely

**Pauline Keith**

**Validation Officer**
