Hi,

No 7a

The letter that I refer to is coming from Peter Allan, Corporate Planning Manager, and he can't say at this time when the letter will be issued. Sorry that I can't be more helpful on this point, but I would not let the lack of timing for this stop you from confirming the 20th at 2.30pm in order, as you say, to move this process on.

Regards - Gordon

>Good Morning Gordon,

>

>Thank you for your e-mail.? I have passed a copy of this to our management committee.? They have asked if?it would be possible for you to give me an idea when this letter will be issued?? It would be very helpful for us if the committee could have a look at it before any meeting so that we can raise any points we have.? Our committee members are very? keen that this matter is resolved to everyone's satisfaction so that we can all move on.

>

>Also please be aware that I sent a letter to Peter Allan on Monday asking for another meeting with yourselves as we have now completed our internal investigation into the concerns raised at the meeting on the 23rd January?and can now better respond to these.
