Dear Laurie

Dispute with Dundee City Council

I refer to the above matter and enclose a copy of Dundee City Council's response to our Freedom of Information request, which arrived in my absence from the office last week. I am conscious that you do not want to expend more money on this, so I have not considered their letter in great detail. Their primary reason for non-disclosure (namely, that it would prejudice the exercise of a public authority's functions) is not surprising, although I am unsure whether the contents of the documents they *have* disclosed will be familiar to you.

If I can be of any further assistance in this matter, please do not hesitate to contact me.

With kind regards.

Yours sincerely

Laura Gow
