Dear Ms Duffy

### **Complaint Against Dundee City Council**

I recently held a meeting with Ms Matthew in respect of a personal matter at which we discussed your complaint against Dundee City Council. I thought that it was agreed that you would now proceed to apply "for approved provider" status and that the complaint would be put into abeyance while this proceeded. I also agreed to monitor progress.

Separately, we have had a further letter from Macroberts asking for information under FOISA and in previous letters, your organisation has indicated that the various allegations received by the Council had been disproved and that you intend to make a legal claim for compensation. This is far from the situation as I outlined in my discussion with Ms Matthew but I thought we had found a way to move forward in a constructive manner preserving each others point of view.

I am now in the position that I do not know whether we have an agreement or you intend to pursue matters through the legal process. It is clearly important that I understand how you intend to proceed because if it is as a legal claim then I would withdraw my personal involvement and leave the Courts to determine matters.

I would appreciate information on how you wish to deal with matters with the Council.

Yours sincerely

Alex Stephen  
Chief Executive
