David,

Following on from the discussion between Alan, yourself and myself regarding 18 and Under after the December COG I was wondering if we there has been any progressing relating to the action to arrange a further meeting with Roger Mennie? If not, would you like me to speak to Roger to arrange this?

For your info - a letter will be issued to the organisation today from Social Work Contracts Section with regard to Approved Provider status the VAW Partnership) is also due to meet with [redacted] from the organisation and will provide us with feedback.

Hi Sandra, Lynne - cc Margo

I have a telephone message to call m?
..... He wanted a list of our Approved Providers. Given it was a mobile number and I thought the request was a bit unusual I ran it past Margo who has asked me to email you both to let you know about this and that you would know the circumstances around this. I have not given the information out, and if calls back I will inform him that I have passed his request onto Contracts Section to look into.

I hope this is ok

Bill/Ray/Sheila, I have spoken to Roger & Kenny regarding the attached request. For your benefit Ray and Sheila, I initially forwarded the request to the Chief Executive. As you will see below, I was informed by Peter Allan that your departments would have a response input.

Roger has asked that you provide response information relating to "Eighteen and Under" **only**.

Thanks.

Ramsay,

This will be complicated because Corporate Planning, Education and Social Work will have been involved to varying degrees. Sandra Lorimer from Social Work will be able to advise you from Social Work but I don't know who will be the relevant person from the Education Department.

Peter

History: ➔ This message has been forwarded.

Hi Sandra,

The website lists the following as projects of 18 and under -
Eighteen and under
Taywise
DV8
VIP
Resolve It
DASI

There is also specific text on the website for No__1 saying that it is a partnership between Izzy's Promise and Eighteen and Under.

There is also and RANS (Ritual Abuse Survivors Network) but I can see nothing that explicitly links them to Eighteen and Under. I assume we can't name RANS as we have no evidence of an "official" connection between them and Eighteen and Under. might be open for interpretation as they do state the deliver joint projects - but perhaps we can only name the joint projects rather than the entire operation?

Hope this helps
Kathryn

Hi Roger

As you know we have sent communication to service providers today. I've had a couple of enquiries as to which organisations are linked to Eighteen and Under and therefore covered by our restriction. I'm looking for your advice as to how to respond.

Should I list the organisations/projects? I don't want to list the projects/organisations we are aware of in case this is taken to be exhaustive, or in any way libelous, but if I say "those organisations/projects operating from the same address, or those projects and/or services being delivered by Eighteen and Under or being jointly delivered with Eighteen and Under I'm sure they will only come back again and ask me for specifics!

What do you think?

Sandra
