Dear Ms Matthew,

I'm sorry if my response to you has led to any misunderstanding. I have asked Dundee City Council for a full report on all aspects of their involvement in your funding being withheld from the Violence Against Woman Fund. My understanding from the last correspondence that I had had from them was that someone was to contact you and to attempt to resolve whatever the issues were.

I would expect their reply would explain why they have not processed your Approved Provider Application which, as you have indicated to me in your letter, was to have been completed by last October. Once I have that reply I will forward it to you. If there is anything else that you feel I can do for you please do not hesitate to contact me.

Yours sincerely

Joe FitzPatrick
